

>> SURFACE PROTECTION RANGE

YOUR FIRST LINE OF DEFENCE™

FOR OVER 30 YEARS, TRADES HAVE TRUSTED **ANTINOX** TO PROTECT JOBSITES AND KEEP WORK MOVING. BUILT TO WITHSTAND THE DEMANDS OF SITE CONDITIONS, EVERY PRODUCT IN THE RANGE IS DESIGNED TO DEFEND SURFACES AND SUPPORT PROFESSIONAL RESULTS – BECAUSE THE JOB DEMANDS IT.

What began with a single protection sheet has grown into a brand recognised across the industry and stocked in thousands of merchant outlets nationwide – firmly established as the go to choice for dependable jobsite protection.

Since becoming part of Icon Protection EMEA Ltd in 2021, Antinox has strengthened its ability to deliver reliable protection for projects of every size.

THE ANTINOX RANGE. COVERING MORE.

With the extended range of products, Antinox protection extends across more surfaces and more areas of the jobsite. From floors and walls to stairs and fixtures, these new solutions give trades even more ways to protect every part of the job – helping safeguard reputations from start to finish.
